TO: All Interested Parties

SUBJECT: PUBLIC WORKSHOP TO DISCUSS PROPOSED REGULATION ON  
THE PRODUCTION OF HYDROGEN FOR TRANSPORTATION FUEL  
AS PRESENTED IN SENATE BILL 1505 (STATUTES 2006)

The Air Resources Board (ARB or the Board) staff invites you to participate in the following scheduled workshop either in person or through webcast. The workshop concerns the development of a regulation enacting requirements on production of hydrogen as a transportation fuel for use in California. The purpose of this workshop is to share ideas on reporting requirements and scenarios for meeting the statutory requirements, and to generate discussion on how to best implement the requirements of Senate Bill 1505.

DATE: November 14, 2007  
TIME: 3:00 p.m. to 5:30 p.m.  
PLACE: California Environmental Protection Agency  
Sierra Hearing Room  
1001 I Street  
Sacramento, California 95812

Workshop presentations, handouts and background information will be available at the workshop and on the Environmental Standards for Hydrogen Production website at: <http://www.arb.ca.gov/msprog/hydprod/hydprod.htm> five days prior to the workshop. If you would like to receive notification by email of updates to the Environmental Standards for Hydrogen Production website, please sign up at <http://www.arb.ca.gov/listserv/listserv.php>.

For individuals with sensory disabilities, this document is available in Braille, large print, audiocassette or computer disk. Please contact ARB's Disability Coordinator at (916) 323-4916 by voice or through the California Relay Services at 711, to place your request for disability services. If you are a person with limited English and would like to request interpreter services to be available at the meeting, please contact ARB's Bilingual Manager at (916) 323-7053. These services must be requested at least two weeks prior to the meeting.

*The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.*
